Summary of reasons for decision:

9jun07(86).jpg is a large photographic image in portrait layout depicting a young male performing fellatio on another male. His head and shoulders are visible, and the other male has his hand on the back of his head, and his eyes are closed. His face is smooth and very youthful looking and he presents as a youth in his early to mid teens.

The publication tends to promote or support the exploitation of young persons for sexual purposes and is therefore deemed to be objectionable in terms of s 3(2) of the Act. Alternatively, the publication is objectionable as meeting the test in s 3(1) of the Act.
